F-1 International Student Responsibilities

Student Name: _____

Student EMPLID: _____

First Semester attending Patrick Henry Community College: Fall _____ Spring _____ Year: _____

Please initial next to each item and then sign at the bottom to indicate your understanding.

_____ It is the responsibility of the student to learn and follow the U.S. Citizenship and Immigration (USCIS) guidelines. USCIS requirements are subject to change; however, all international students must conform to these requirements to maintain their F-1 status. Patrick Henry Community College is mandated by law to release information from student records to the USCIS that might be required to determine if you are maintaining lawful status.

_____ Students must maintain a full course load (at least 12 credit hours) of study each regular semester (fall and spring). Students may only enroll in ONE (3) credit hours of distance (online) learning towards the 12 credit hour minimum. If problems arise which may force you to carry less than a full load of coursework, you must speak to a designated school official (DSO) before you drop any course(s) as this will result in a violation of status and possible termination.

_____ Inform a DSO of any changes to address, e-mail address, and phone number. You must inform the school within ten (10) days of the change by completing a Student Information Change Form or by updated your student record online through your MYPHCC account.

_____ Students must attend the college that USCIS has authorized you to attend and fulfill all financial obligation to Patrick Henry Community College. Students must enroll, pay for, and attend all classes.

_____ If you cannot complete your studies by the end date indicated on your I-20, you will need to meet with a DSO to complete a program extension. You must apply for an extension six (6) weeks before the end date with a valid reason for the extension.

_____ As an international student, employment during your time at PHCC will not be recommended based on your recent affidavit of support to cover tuition and living expenses.

_____ Students must notify a DSO prior to travel outside of the country. At this time, the DSO will sign the student's I-20 verifying approval. This is required for reentry to the United States.
Note: For your personal records, keep a copy of all I-20s and immigration documents.

I certify that I understand the above. If I have questions or concerns, I will read the immigration regulations as published by the USCIS, and/or consult a PHCC DSO. I understand that the DSOs are available to provide advice and assistance; however, my immigration status is my responsibility.
