

Associate Degree Nursing Curricular Plan (Traditional)¹

Semester	Course Number	Course Name	Theory instruction hours	Skills acquisition hours		Simulation in lieu of direct clinical hours	Direct client care hours
				Skills Lab	Simulation		
First	100 4 credits	Introduction to Nursing Concepts	45	0	0	6-9	36-39
First	106 2 credits	Competencies for Nursing Practice	15	45	0	0	0
First	200 3 credits	Health Promotion and Assessment	30	42-45	0-3	0	0
First	130 1 credit	Professional Nursing Concepts	15	0	0	0	0
Second	152 3 credits	Health Care Participant	30	0	0	6	39
Second	170 6 credits	Health/Illness Concepts	60	10	0	15-21	59-65
Third	210 5 credits	Health Care Concepts I	45	0	0	12-15	75-78
Third	211 5 credits	Health Care Concepts II	45	0	0	9-15	75-81
Fourth	252 4 credits	Complex Health Concepts	60	0	0	0	0
Fourth	230 2 credits	Advanced Professional Nursing Concepts	30	0	0	0	0
Fourth	270 4 credits	Nursing Capstone	0	0	0	21	159
		TOTAL	375	97-100	0-3	69-87²	443-461

Students may be required to attend program and clinical facility orientations at specified times during the program.

¹ Required general education courses may be completed prior to admission to the Associate Degree Nursing Program or completed concurrently with the program as scheduled.

²Simulation hours may fluctuate based on the availability of Simulation Center, if hours increase that will reduce total direct care hours, if simulation hours decrease that will increase the total of direct client care hours.

Associate Degree Nursing Curricular Plan (Advanced Placement)¹

Semester	Course Number	Course Name	Theory Instruction Hours	Skills acquisition hours		Simulation In lieu of direct clinical hours	Direct client care hours
				Skills Lab	Simulation		
First	NSG 115	Healthcare Concepts for Transition	45	15	0	12-15	15-18
First	NSG 200	Health Promotion and Assessment	30	42-45	0-3	0	0
Second	NSG 210	Health Care Concepts I	45	0	0	12-15	75-78
Second	NSG 211	Health Care Concepts II	45	0	0	9-15	75-81
Third	NSG 252	Complex Health Concepts	60	0	0	0	0
Third	NSG 230	Advanced Professional Nursing Concepts	30	0	0	0	0
Third	NSG 270	Nursing Capstone	0	0	0	21	159
		TOTAL	255	57	0-3	54-66³	324-336²

Students may be required to attend program and clinical facility orientations at specified times during the program.
