

RESEARCHING CAREERS:

- Research the education needed for your career - Check out current job postings/descriptions for the role you eventually want
- Check out the P&HCC Career Center in Walker 203: 276-656-5483, careercenter@patrickhenry.edu
- Career assessments – VA wizard website:
<https://www.vawizard.org/wizard/careersAssess>

- www.bls.gov/ooh - Occupational Outlook Handbook with more than 1,500 job descriptions and their likely pay scale

- www.khanacademy.org/college-careers-more/career-content - videos and articles containing detailed information on several types of jobs as well as general advice when starting in the workplace.

- <https://roadtripnation.com> – videos and interactive tools to help students determine the right college type, major, and career.

- <https://bigfuture.collegeboard.org> – has many career exploration exercises and provides a focus on what educational requirements are needed to achieve career goals.

- www.onetonline.org – The U.S. department of labor’s interactive database of occupational information.

- Transfer Tools - Discover my future on TransferVA: [Explore Careers | Transfer Virginia](#)
